Notes

- 6 'Our Typical Fee' figure includes VAT at the current rate of 20% and is intended to be a useful guide to our pricing. It is not a set single price for the Service as our actual fee will depend upon the specific circumstances of your case. Please select 'Probate' on the Our Prices page for more information.
- 7 The 'Typical Disbursement Cost' figure may include VAT (where applicable) and is intended to be a useful guide to the likely additional cost associated with your case. It is not a set single cost for the Service as the actual cost will depend upon the specific circumstances of your case. Please select 'Probate' on the Our Prices page for more information.
- 8 The 'Typical Total Cost' figure is derived by adding the 'Our Typical Fee' and the 'Typical Disbursement Cost' figure for the Service and is provided only as a useful guide and are subject to these Notes.
- 9 The 'Typical Timescale' period is intended to be a useful guide to the typical length of time for a typical case to conclude within the Service. It is not set in stone as in most matters we rely on the co-operation of other parties (eg. Probate Registry, HM Revenue and Customs, HM Land Registry, various persons/companies/organisations holding assets on behalf of the deceased, etc...) to carry out their parts in the process and in a timely manner. Please select 'Probate' on the Our Prices page for more information.
